Background Music for Screen Recordings, Video Presentations, YouTube videos, Prodcasting and more. Instant Background On Tradebitis an easy 1 Click download. Simply Save to your hard drive and access the professionally Produced music tracks when you require professional sounding instrumental music for your projects. This brand new updated for 2012 bundle is jam packed with Full Length professionally produced songs in many popular genres from relaxing ballad style instrumentals for the more laid back productions, to spicy upbeat grooves when a project requires an energy boost, to every tempo and style in between! Work with the included full length versions, (average Song Lengths are between 3 and 5 minutes) or edit the music to suit your needs. Each song contains different rhythm sections, instruments and melody lines so that you can choose your favorite part of the song and use it. Yes, there are other websites that offer royalty free music, but you will have to go through the unpleasant experience and frustration of filtering through hundreds of useless amateur sounding songs in order to find that one gem suitable for use in your production. Then once you find something useful, you will learn that it can cost you a fortune for just ONE song, and for being able to use the music for your purpose. Why use amateurish sounding music when you can have Instant Access to quality music in many popular styles! With Instant Background Music you do not have to waste time getting lost in hundreds of web pages just to find that one great song to use. You also do not need to take a law class, or hire a lawyer just to make sure that you understand the fine print so that you can can legally use the music for your purpose. Simply download instant background music, access the songs and use them. Done!
