I'm sure you have purchased a product with some sort of resell rights attached to it. The biggest problem in this case is you end up doing it again and again, and they end up on your computer, collecting dust, instead of being on your website collecting sales. At least that's where it should be. Don't know how to take the sales page and downloadable files that you are given and setup your sales page to sell? No problem...read on. You see...Automation is the key to making money while you sleep. You've heard many times how people are going to websites, buying products, and instantly downloading the products immediately after payment. Well, as a resell rights product owner, wouldn't you want to make money 24/7 without having to send the files to every customer that buys through you? By doing this, you make your customers happy and you free up more time. Let me ask you a few questions... 1. Do you know how to edit a webpage...? 2. Do you know how to setup your download pages...? 3. Do you know how to connect your sales page to your payment processor so you get paid and customers get their download links? 4. Do you know how to upload your files to your website? If you answered no to any of the questions, then you'll get those answers in this video series...
