

Mishap 2-an Intentional Haunting(tm) Premium Edition - Pc Game

[DOWNLOAD HERE](#)

You can download a free demo. Realizing that Milton Hobblepop's paranormal research has been stolen, the Mishap gang infiltrates the compound of his greatest rival, Avery Nailliv, to uncover why the renegade scientist is imprisoning spirits against their will. But as you free the estate's bound spirits, a new twist in Milton and Emily's tragic past is revealed, setting the scene for an unforgettable ghostly vengeance.

Survive a whirlwind tour of the shadowy estate in this new spooky adventure. Find hidden objects and solve supernatural puzzles stashed inside every room where you'll need the vast abilities granted by Hobblepop's gadgets to defeat an all-new cast of eccentric spirits. Enjoy exclusive content when you purchase Mishap - An Intentional Haunting Premium Edition including a comprehensive Stuck in a rut Walkthrough, Hilarious Voice-Over Outtakes, exclusive Wallpapers, Concept Art, and Gadget Art.
