

Escape Velocity Bundle

[DOWNLOAD HERE](#)

Escape Velocity Bundle is a collection of ethereal, space and inspiring pads and soundscapes. Perfect for film scoring, ambient and/or electronica productions. This soundset covers moods ranging from gentle and thoughtful, dark and edgy through romantic and touching. Escape Velocity Bundle includes over 775 MB of new samples This bundle incorporate Escape Velocity and Escape Velocity Too. Plus 20 extra pads and soundscapes (Escape Velocity 1 bonus). If you have Escape Velocity and Escape Velocity Too then there's no need to buy soundset. Not for Alchemy Player! Soundbank Installation: download the content rar file to your desktop and launch the add-on installer. Windows: Click on the Programs- Camel Audio- Alchemy- Install Add-ons option in the Windows Start menu. Mac: Double-click on Alchemy Sound Bank Installer in the /Applications/Alchemy folder.
