Pure Live Breaks is back! Top Session Drummer, Gary Widlake thumps out another 275MB of original and contemporary drumloops suitable for a wide variety of production genres. Features "rough and ready" drumloops from 95-130 BPM, in Acid, Apple Loops, REX, and WAV Formats. Pure Live Breaks Volume 2 features some of the freshest and phattest drum grooves around, played by International Session Drummer, Gary Widlake. These drumloops are totally current! They reflect the sound of the moment, which is earthy drums (just bass drum, snare, hi-hats and crash and no toms) to get a really raw and gritty sound. We have included a processed (effected) version and a dry version of each loop, to allow you flexibility. Only the most professional microphones and recording equipment were used in the production of this Sample Pack and everything was mastered professionally in our Pro Tools HD TDM Studio. Finally, if you are already have Volume 1 you can copy this product into the same directory as the filenames on Volume 2 continue on from Volume 1, numerically. ABOUT GARY WIDLAKE: Gary Widlake has been an international session drummer for over 15 years. We are proud to be working with Gary, who currently works full-time as a session drummer in the United Kingdom.
