"Ready For The Next Edition In New OpenOffice Writer Templates To Help You Create Beautiful PDF Ebooks With Incredible Style And Ease While Maximizing Plenty Of 'White Space' In Your Ebooks For Easier Reading?" "Now Get 9 All New Ebook Templates Designed To Work Specifically With OpenOffice Writer! "   From the desk of : Tracy Yates Date: 04/19/08   Hello Friend,   Isn't it amazing that such a wonderful piece of free software such as OpenOffice Writer lacks in an extremely important area. . . . Offering at least one good, modern ebook template that can be used within the program to lessen your work load.   I'll tell ya, I was in the same boat you probably find yourself in right now.   Searching high and low just to find one reliable source for a quality OpenOffice Writer Ebook Template. Even if it cost me something, I didn't care, I just knew I needed one to cut down on my workload. I mean, c'mon. It's tough enough coming up with new ebook ideas to write about, let alone compiling them too!   EZ Ebook Template Package To The Rescue! Imagine how much easier it would be to simply open up a pre-formatted .ODT file inside OpenOffice Writer, replace some example text with your content, and hit the "Make PDF" button. Even just one Ooo Writer ebook template would be appreciated, wouldn't it? What if you could have 9? 9? Can that be true? You can hardly even find one decent ebook template for OpenOffice Writer, how can you give me 9 different templates to use???! I can. I have them. And now I'm letting you have them too. Right here. Right now.   What Makes These OpenOffice Writer Ebook Templates So Special Anyway, And Why Does It Matter To Me? Let me give you a little example of what your ebooks could look like if you used just one of these stunning OOo Writer templates for your next project. . . . First. . . Here's what a normal, non formatted PDF ebook made in OpenOffice Writer looks like: Why Settle For Plain, Boring, And Down Right Ugly Ebook Designs? When you download your copy of EZ Ebook Templates Package 2, you won't have to settle for the above example any longer. You will be able to create dazzling, heck, even exciting PDF ebooks from today on forward! But, let's put the money where the mouth is. Take a look at this. . . .   Now, Here's what a pre-formatted PDF ebook made using one of the 9 OpenOffice Writer templates inside this incredible package looks like: See the difference?! Amazing, right? But, that's not the only thing that changed with this template. How about a

table of contents that links directly to the actual chapters in the ebook? Okay, how about this. . .   Now, how about a screen capture showing you all the graphical detail? All right, here ya go. . .   Of course, the actual ebook template graphic looks much clearer as you have to account for the screen capture tool pixelization. But . . . Isn't that 100 times better than a plain, old, boring, ebook layout? Of course it is! EZ Ebook Template Package 2 Can Also Give You A Super Fast "Head Start" On Creating Your Own Unique Ebook Designs With Just A Little Bit Of Effort The very best part about each of the 9 included templates is that you can change them completely to fit your own style, and the style of your ebook content! And, it's pretty easy to do when you have a format to work with. If you picked up the First EZ Ebook Template Package, you will have noticed that there were a lot of things going on with those designs. And, maybe you needed something a bit more simple while keeping a cutting edge design. Well, with EZ Ebook Template Package 2, that's precisely what you'll get.
