[DOWNLOAD HERE](#)

Crying Mountain depicts a young girl's journey through a devastating hurricane captured in diary kept when she was eight years old. She has been writing since the age of five, when she was a little girl surrounded by extreme poverty, superstition, and brutality. Lili's novel is a story of personal spirit, a story of a childhood lived creatively and courageously, and a story about the human will to persevere against overwhelming odds. Crying Mountain is the first in a series of books about Tilou's childhood. Through the eyes of Tilou, Lili Dauphin gives us a fresh look at life, as we have never seen it before.
