MEAN SCISSOR MARINE: Mark has been out on the town most of the day and evening with his mates, drinking cocktails and having fun, whilst his live in girl friend has been working hard on evening shift. When she does finally come home to relax, she discovers a passed out Mark lying on the floor surrounded by win bottles and is not best pleased, so she decides to administer a figure four head scissor beatdown from hell, including \*\*\* him up with a series of hard hitting face punches, slaps, and stomps to her own ultimate conclusion. Plus in addition to this extreme scissor humiliaton, she also makes him self eat his own smelly socks while attempting to break his neck between her sexy thighs.
