create a sense of urgency on your site with this easy to use software program 1-2-3 Dimesale is a simple tool that will change the way you do business online. It allows you to run your very own dimesale without having to install some sort of complicated script. Lets take a short look at how a dimesale works: When youre running a dimesale, every customer that arrives at your page is presented with a ticker that increases the price automatically based on a settings you provide. The payment button refreshes on autopilot and increases your price day and night, while you can spend your valuable time doing other things. A dimesale allows you to raise the price of your product over time. This way you can create more demand and urgency, and as a result potential customers Comes with Master Resell Rights
