

Audials Mediaraptor 8

[DOWNLOAD HERE](#)

Audials Mediaraptor - Find, record, download, convert enjoy music movies online. Find your music instead of just looking for itAre you looking for a certain song or music video by your favorite artist? Audials Mediaraptor can find what you need in more than 10 of the best internet portals. Just enter what youre looking for in the search field and Audials Mediaraptor will record it automatically from social radio stations and video portals.Your movies, music videos and web clipsIts simply amazing: every time you watch a video or listen to a song on a website, Audials Mediaraptor records it for you. Special bonus: if there is MP3 music embedded on a web site, Audials Mediaraptor can record these files without playing them first. Try it out for yourself!With Audials Mediaraptor, you can get hooked up by YouTube and lots of other well-known portals with free entertainment that you can load onto you cell phone or impress your friends at the next party by playing these files on a projector or TV.What are social radio stations? How does Audials Mediaraptor work?Social radio stations are websites that allow you to customize radio programming. Audials Mediaraptor can control social radio stations and video portals undetected from afar, list what music and music videos these site play, make these sites play the music you want and then record it automatically. This revolutionary approach gives you an unlimited supply of music!The converter gives you entertainment for every deviceAudials Mediaraptors web recorder automatically records all the videos, films and music you have watched online. The integrated converter lets you automatically convert your files in the right format for your playback device. You dont even have to know what the format is. Just choose your playback device before recording and Audials Mediaraptor takes care of the rest. The profile editor lets you set your individual preferences, such as video resolution. Total convenience and lots of extrasAudials Mediaraptor lets you put the finishing touches on your collection with ID3 tags, album artwork and lyrics after recording your files. Audials Mediaraptor conveniently manages your media collection for you. And the media management functions let you sort your large collection easily by album or artist. Audials Mediaraptor has always got the answer you needWhether its for your PC at home, a CD for your car, for your portable device or for a cell phone ring tone, Audials Mediaraptor has always got the right file format and the best options for your free entertainment. Further products from Audials Software:
