

Out Of Sight: The Rise Of African American Popular Music, 1889-1895 - , Doug Seroff

"A product of old-fashioned, back-wearying, foundational scholarship, yet very readable, this book is certain to feature importantly in future studies of early jazz and its prehistory. Highly recommended."

--Library Journal" This volume makes possible the study of the rise of black music in the days that paved the way for the Harlem Renaissance--the brass bands, the banjo and mandolin clubs, the male quartets,

and theatrical companies. Summing up: Essential." --Choice Outstanding Academic Title A landmark

study, based on thousands of music-related references mined by the authors from a variety of

contemporaneous sources, especially African American community newspapers, Out of Sight examines

musical personalities, issues, and events in context. It confronts the inescapable marketplace

concessions musicians made to the period's prevailing racist sentiment. It describes the worldwide travels

of jubilee singing companies, the plight of the great black prima donnas, and the evolution of "authentic"

African American minstrels. Generously reproducing newspapers and photographs, Out of Sight puts a

face on musical activity in the tightly knit black communities of the day. Drawing on hard-to-access

archival sources and song collections, the book is of crucial importance for understanding the roots of

ragtime, blues, jazz, and gospel. Essential for comprehending the evolution and dissemination of African

American popular music from 1900 to the present, Out of Sight paints a rich picture of musical variety,

personalities, issues, and changes during the period that shaped American popular music and culture for

the next hundred years. Author: Abbott, Lynn Author: Seroff, Doug Publisher: University Press of
