"Who Else Wants To Generate MASSIVE Income Hand Over Fist... Just Conducting Their Own Seminars From Home? You're About To Discover How To Run Your Own Worldwide 2 Hour Seminar From Home..." Basically, the webinar wealth formula can be summed up in 3 steps: 1. Find the audience 2. Deliver the presentation 3. Follow up, upsell and repeat all the 3 steps! Webinars can mean the big break you've been looking for in your career as an infopreneur (regardless of any kind). This is the ultimate decision maker that will mean adding an extra 1 or 2 digits on top of what you're currently making right now! Let's Take A Peak Inside This Video Training Course: Video 1 - Introduction to Webinars Secret Webinar Riches Convert fence sitters into paying customers! Here's how webinars can enhance the image and reputation of your information business, elevate your expert status and ramp in massive profits! Video 2 - Different Types of Webinars Secret Webinar Riches Did you know that there are many different types of webinars? Right. Not all webinars are created the same. In this video you will learn what is available to you, the advantages and disadvantages, so that you can decide what type of webinar you will want to create. Video 3 - Webinar Formula and Tricks Secret Webinar Riches You could setup your webinar without much thought. However there are time tested formulas and tricks that we have used, that can help you increase your conversions and sales. Did you know the way you create your webinar can increase or worse decrease your sales? More on that in this video. Video 4 - The Expert Webinar Model Secret Webinar Riches What if you want to sell a product or a service, but the problem you face is that... you're not an expert on the subject you want to sell? Don't worry. This video addresses the problem if you don't feel like you're an expert in the subject matter. For example, how to invite guest speakers and much much more! Video 5 - How to Pitch in Your Product Secret Webinar Riches Before you begin to brainstorm and plan your own webinar, you will want to learn how to pitch the product you are selling, inside your webinar. That would be the last 15 minutes on how to effectively pitch in your back end product and get people to act now. Just like those offline seminars where the speaker gives the Upsell in the last 15 minutes of his or her speech, we'll show you how to do the same in your webinar. Video 6 - Brainstorming and Planning Your Webinar Secret Webinar Riches Now that you've learned all you need to

know about the different types of webinars, the tips and tricks, how to pitch your product, and much more....its time to really focus on creating your own webinar. But before you can do that, you need to brainstorm and properly plan it. Without the proper planning, you may as well say goodbye to the success of your webinar. In this video, you will learn just that. Video 7 - Creating Your Webinar Secret Webinar Riches What software should you use? What kind of microphone? While this part can be technical, you dont have to be technical savvy to create your webinar. Simply follow this video step-by-step and Ill walk you thru it HOW to create your webinar. Video 8 - Setting Up Your Webinar and Webinar Pages Secret Webinar Riches Once you learn the concepts, formulas, important points on creating a successful webinar, and youve created your webinar...it's time to put it all in action! In this video, you will learn how to setup your webinar and webinar pages. Video 9 - Marketing Your Webinar Secret Webinar Riches Find paying customers using low-cost but highly effective, renegade marketing tactics! This is the most essential bit of info, this module alone is worth the price I'm about to ask for this entire training course! But That's Not All... I reckon you're already excited at the possibilities of making a massive income working less hours and less effort than what you're putting in right now. And to add sizzling to the offer, I'm also throwing in 2 bonus video modules! Bonus Video - Avoid Crashing Your Webinar Secret Webinar Riches One of the biggest problems people face, is they drive all this traffic to a webinar. People are anxiously waiting for the webinar and suddenly CRASH! This is a common problem that happens often and as unfortunate as it is, you will lose potential customers. In this bonus video, you will learn how to avoid this problem. Bonus Video - Webinars On Autopilot Secret Webinar Riches Did you know that most successful webinars are replays? Webinar replays are webinars that are simply on re-run. Think about having a webinar on autopilot while you are happily watching movies or spending time with your family? In this bonus video, you will learn how to put your webinars on autopilot.
