Study Material 98 5. Homework 99 6. Playing by Ear and Written Exercises 100 7. Approach to Children 101 Ear training 102 Special handicaps 103 Maturity level of the child 104 Ambition 105 IX. FOREWORD: A NEW approach to piano study Why the reader may well ask. Hasnt the old approach produced hundreds and thousands of excellent pianists True, for such successful students, usually professional musicians, no change is necessary but for the others, less fortunate, the legions of lay musicians, playing the piano can acquire a

new meaning. Formerly the non-professional pianist had the same mission as the virtuoso to share his musicianship with an audience. And usually he was just as eager for publicity. He labored many hours over technical exercises and spent years building a repertoire of pieces carefully prepared for performance. Author: Deutsch, Leonhard Publisher: Domville -Fife Press Illustration: N Language: ENG
