How to Make Crunk Beats Vol 1 This is the download version of this tutorial. We sell this in DVD form also. This version is great for people who want to save time by bypassing traditional shipping. This version is exactly the same as the DVD. Product information: So you are making hot beats on Fruity loops but you want it to sound perfect. What secrets do you need to know that all of the top producers know? Well, I will share it with you on this computer tutorial. You will get content that can be viewed on any windows based computer. It shows up on your screen like a DVD. You will see Fruity loops on screen as if you just opened it yourself. The only difference is you will see and hear me, King David, working on your screen explaining step by step the secrets to making Fruity Loops sound ready for radio. I will take you step by step through the process that I use every day on tracks for clients all over the world. I Sell tracks to a lot of rap and R&B artists. I have produced tracks for Mary J. Blige, Bilal, B2K, Fat Joe, Nas and many others. My name is King David and I'll help you make the hot beat you just made stand out in the Club Car or radio. This program is compatible with all windows operating systems. It works just like a DVD. In fact it is a digital video and comes on a disc. This program comes in sections so you can view exactly what you need. You won't have to watch the entire show from beginning to end. The production is professional and easy to follow with on screen highlights and more. There is an entire section on using effects, looping, sampling and some secrets I have learned that will help your music sound more professional.
