

Ambient & Chill-out Instrumental Loops & Samples

[DOWNLOAD HERE](#)

Kick back and relax! Prime Loops are extremely proud to announce this ultimate collection of mind-bending ambient & chill-out instrumental loops prepare yourself for "Ambient Illusions"! Inside this extraordinary sample pack you will find an addictive blend of over 120 unreal ambient textures, hypnotic arpeggio patterns, mesmerizing chord progressions, intricately crafted sound effects and beautifully sculptured wall-of-sound atmospheres, ranging between 65 and 140 BPM. All of the loops in this lush sounding sample pack are presented in crystal clear 24-bit audio - and only the best hardware gear has been brought together for its production: Amongst other instruments, Prime Loops' resident producer Dimitry Vasilyev has employed the use of legendary synths such as the Roland Alpha Juno, Roland Juno-106, Roland MKS-10, Polyvox, Korg Mono/Poly Korg Poly-800, resulting in an extremely distinctive sound, full of analogue warmth, definition and character. Inspiration for this pack has been provided not only by the works of pioneering ambient artists such as Brian Eno, Tangerine Dream or Jean Michel Jarre but also from the Balearic flavoured easy listening sound of best selling chill-out collections such as Caf Del Mar or Buddah Bar. Jam-packed with an endless stream of uplifting sonic adventures this inspiring sample pack will make the perfect song-writing partner for all your future writing, programming and recording sessions. Choose from a large selection of formats such as .WAV, Apple Loops, MPC, Ableton Live Pack, Acid Loops and many other formats, all perfectly formatted for your favourite production platform and clearly labelled with tempo and key info. As you might already know, and as with all Prime Loops sample pack releases, "Ambient Illusions" is entirely royalty free, so there's no need to worry about sample clearances and licensing fees! Prime Loops' "Ambient Illusions" is a must-have sample pack for any producer from ambient, electronica, IDM, dubstep, neurofunk and liquid funk all the way to psychedelic rock and experimental - So dim the studio lights, get comfortable and lose yourself in the "Ambient Illusions". You can find this release in a large number of other Special Formats on our website including: Ableton Live Pack (382mb) Acid Loops (570mb) Akai MPC (713mb) Apple Loops (570mb) FL Studio (570mb) Garageband (570mb) and many, many more! primeloops.com
